<p><i><b>Historical photos</b></i></p>	<p>More importantly, St. Luke’s is known for its generosity and heart for giving back to the community and world. From it’s earliest days in the mid 1940s, St. Luke’s has focused on building a strong community of disciples that would enrich the lives of others ...both inside and outside of the church walls.</p>
	<p>St.Luke’s strives to demonstrate its commitment to be the <b>church</b> that makes a difference in spiritual lives, relationships and the world...with a <b>congregation</b> that makes a difference individually and collectively.</p>

<p><b><i>Connection Center footage</i></b></p>	<p>Making a difference begins with connecting people to ministry, and the hub of that effort takes place at our Connection Center. On Sundays, individuals stop by to find a class or group to attend – or -- a volunteer opportunity that matches their passion.</p>
